*Note: If for some reason, you do not want Schnee Learning Center to implement the IEP we have just completed and agreed upon, the State of Ohio Department of Education now has 2 parental choice scholarships for students with disabilities. These scholarships allow parents, who prefer to have a registered private provider other than the school district, to provide the services in the IEP. The State requires us to inform you of these programs. The above information is a letter regarding the 2 scholarships and where to find more information on them. Your signature only indicates that we have provided you with the information.*
