Policy No. 4204

Religious Expression Days and Religious Accommodations

The School will reasonably accommodate the sincerely held religious beliefs and practices of individual students with regard to all examinations or other academic requirements and absences for reasons of faith or religious or spiritual belief system.

Absences

Any student may be absent for up to three religious-expression days each school year to take holidays for reasons of faith or religious or spiritual belief system or to participate in organized activities conducted under the auspices of a religious denomination, church, or other religious or spiritual organization. No academic penalty will be imposed as a result of a student being absent as permitted in this policy. Students may participate in interscholastic athletics or other extracurricular activities on days in which the student is otherwise absent for a religious-expression day.

Academic Accommodations

In order to be provided with alternative accommodations with regard to examinations and other academic requirements missed due to a religious expression day, the parent or guardian of a student must provide the Head Administrator with written notice of up to three specific dates for which alternative accommodations are requested not later than fourteen school days after the first day of school, or fourteen school days after the date of enrollment for a student who transfers to or enrolls in the district after the first day of school.

The Head Administrator shall approve not more than three written requests per school year from a student's parent or guardian for an excused religious-expression day absence. The Head Administrator shall approve such requests without inquiry into the sincerity of a student's religious or spiritual belief system; however, the Head Administrator may verify a request for a religious expression day by contacting the parent or guardian whose signature appears on the request. If a parent or guardian disputes having signed such a request, the Head Administrator may deny the request.

Upon approval of a religious expression day absence under this policy, the Head Administrator shall require the appropriate classroom teacher or teachers to schedule a time and date for an alternative examination or other academic requirement if the approved student absence creates a conflict, which may be before or after the time and date the examination or other academic requirement was originally scheduled.

Religious Holidays

The following is a **non-exhaustive** list of major religious holidays, festivals, and religious observations for which an excused absence under this policy shall not be unreasonably withheld or denied for the 2024-2025 and 2025-2026 school years:

[You may use this list or use dates to be provided from the State Superintendent. **NOTE: To date, the State Superintendent has not provided a non-exhaustive list of religious holidays. In lieu of that list, the list below is provided.** Update the list of holidays every two years. **NOTE: This policy and the list of holidays must be posted prominently on the School's website.]**
