Students, Parents, and Guardians,

The entire staff at Schnee Learning Center thanks each of you for a very successful 2018-19 school year. As many of you know, we had over 20 students complete their high school graduation requirements and receive their diplomas this school year. We are very proud of each of them.

We intend to continue to build on our successes next fall with our returning students as well as our new enrollments.

The following are a few friendly reminders:

- ✓ **Please review the enclosed report card**, and call if you have questions or concerns.
- ✓ For your convenience, you will find **next year's school calendar (2019-20)** on the back of this newsletter. Please post it in your home.
- ✓ Please remember to **return all re-enrollment packets to the school as soon as possible**. Yearly re-enrollment packets are required by the Ohio Department of Education for all students attending community/charter schools in the state of Ohio.
- ✓ ***Beginning this week*, a FREE 5-week summer school** session is offered on Tuesdays and Wednesdays from 10:00 a.m. to noon (this information was previously shared). Our summer school is free for Schnee students in order to give our students the opportunity to complete electives on our online Plato classes and gain valuable credits toward meeting graduation requirements. Please call as soon as possible if you need more information.
- ✓ Please call **330.922.1966**, or email me at (cf_pallijaa@cfalls.org), if you need any information over the summer break. As a reminder, we are only in the office from 8:00 a.m. to 2:00 p.m. during the summer and the office will be closed at times, so please call ahead.

Enjoy the summer,

Tony Pallija
