

April 2020

Dear Senior Students & Families:

Thank you for your patience during these unprecedented times. The staff of Schnee Learning Center is committed to ensuring your graduation commencement ceremony is unique, professional, and accessible. With that being said, graduation planning is in full motion for the class of 2020! Although this year will look a bit different for our graduating class, it is still such a special time for our students, families, and staff. Per state mandate, it has been decided that we will be streaming our ceremony virtually just as other schools around us are doing. We are in contact with a professional video production company to sort out dates and times for the taping and releasing of our graduation video which will be recorded here at our school with the proper social distancing requirements. It is critical that you remain in contact with our staff as they continue to reach out with this pertinent information if you choose to participate. Below you will find the graduation fees, along with deadlines in which money is due. Please complete the enclosed graduation payment form and **mail** it in to the school with your payment **no later than Friday, May 8, 2020**. Payment may be made with cash, check, or money order. Please make checks or money orders payable to Schnee Learning Center.

Due to current circumstances, students will not be permitted to bring guests into the school while filming our graduation ceremony, but we will be sure to capture professional photos for our students to share with all of their loved ones. Caps and gowns will be distributed to students at the filming of our graduation.
