

SCHNEE LEARNING CENTER

Dear Parents/Guardians: November 5, 2020 Newsletter

As the colder weather is moving in on us, we wanted to let you know that we will be doing a separate ALL- CALL to cancel school should the weather be severe. We will try to follow the area schools around Schnee, but we have connected with Fox News, Channel 8, for school closings.

As you may or may not know, we are working with the Department of Education through the Ohio Improvement Process to assist your son/daughter with all areas of testing and graduation requirements. In order to improve test scores on the End of Course (EOC) exams, your student may be invited to participate in a voluntary, but highly encouraged, **After School Schnee Academy**. Details for this to follow if applicable.

Also, report cards were handed out the last weeks of October. If you need a copy of your student's report card, please let us know.

COMING EVENTS:

November 26th and 27th: No school for students or staff. Happy Thanksgiving!

To review our Annual Report, Board minutes, and other school information, please log on to our school website at schneelearningcenter.org

On the back of this newsletter, you will find a copy of our 2020-2021 school calendar. If we can be of assistance to you, please do not hesitate to call us.
