Students, Parents, and Guardians,

The entire staff at Schnee Learning Center congratulates each 2021 graduate and thanks each of our families for a very successful 2020-2021 school year. A special thanks is extended to those who attended and celebrated our many 2021 graduates at our beautiful and vibrant commencement ceremony!

We intend to continue to build on our successes next fall with our returning students, as well as our new enrollments. **It is essential that both new and returning students fill out an application packet as soon as possible to secure a spot and also be able to attend our FREE summer school.** Yearly enrollment packets are required by the Ohio Department of Education for all students attending community/charter schools in the state of Ohio.

**NOTE:** The Ohio legislature provided schools with the necessary flexibility to implement remote instruction and learning through the submission of Remote Learning Plans for the 2020-2021 school year. **As schools plan for the 2021-2022 school year, the Ohio Dept. of Ed. has NOT received notice that the legislature will extend these flexibilities or create other legislative authority for remote learning next year. Thus, Schnee Learning Center intends to be open on a regular Monday-Friday school schedule next school year. There will be no fully- remote students unless the Ohio State Legislature allows the flexibility for students to have this option. The administration of Schnee will follow the developments in this area closely.** The following are a few friendly reminders:

\*Please review the enclosed report card, and call if you have questions or concerns.

\*You will find the **2021-2022 school calendar on the back of this newsletter.**

Please call 330-922-1966 or email [cf\\_pallijaa@cftigers.org](mailto:cf_pallijaa@cftigers.org) if you have any questions or concerns over summer break. We know there is a lot of uncertainty right now, but we are continuously working with the Ohio Dept. of Education and the Summit County Health Dept. in order to plan and prepare for the opening of school next fall. We will keep everyone informed of the final plans once those are official. Please consider how attending our free summer school can help you/your student to meet graduation requirements; please contact Mr. Dudones at [cf\\_dudonesj@cftigers.org](mailto:cf_dudonesj@cftigers.org) for more information.

We appreciate our families,  
Tony Pallija, Executive Director

"Molding Our Students to be Accepting, Insightful, and Compassionate"
