

Dear Schnee Staff,

I appreciate all of you for being so honest and supportive. You guys are all very kind and understanding. I don't feel as though you treat us as a job of responsibility but as people, growing people. I really appreciate how interpersonal you all are. I feel honestly motivated and prepared for school and life after. I thank and admire you guys for that confidence and leadiness in myself. I appreciate you guys and this school so, so much.

Thank you,

Athena

Dear all staff members

I have to say you are all the best. I've been to so many schools and this is the one with teachers who actually care. You guys are all hardworking and make this school a comfortable environment. I've never woken up and said to myself I want to go to school, until I came to Schnee. I would not be where I am now if it wasn't for Schnee. Do me a favor guys, keep doing what you guys do. I love you all.
