

SCHNEE LEARNING CENTER

November 2022 Newsletter

Dear Parents/Guardians:

As the colder weather is moving in on us, we wanted to let you know that we will be doing a separate ALL- CALL to cancel school should the weather be severe. We will try to follow the area schools around Schnee, but we have connected with Fox News, Channel 8, for school closings.

As you may or may not know, we are working with the Department of Education through the Ohio Improvement Process to assist your son/daughter with all areas of testing and graduation requirements. In order to improve test scores on the End of Course (EOC) exams, your student must be in attendance. Testing will be December 12th through December 16th.

Also, report cards were handed out the last weeks of October. If you need a copy of your student's report card, please let us know.

COMING EVENTS:

November 7th: No school for students; Day time Conferences 9:00am-1:00pm

November 8th: No school for students or staff-voting in the building

November 23rd: Student Thanksgiving Luncheon

November 24th and 25th: No school for students or staff. Happy Thanksgiving!

To review our Annual Report, Board minutes, and other school information, please log on to our school website at schneelearningcenter.org

If we can be of assistance to you, please do not hesitate to call us.
